### **Changes to Employment Services of Sault College**

(Sault Ste. Marie, ON April 21, 2010) One year ago, it was announced that the Employment Ontario funded programs would be transformed. As a result of that transformation, offices in Sault Ste. Marie and Blind River were selected to move forward as service providers in the new Employment Ontario realm.

As a result of this change in programs, the Community Employment Programs service department has gone through a dynamic branding process and has changed their name. Effective immediately, their new name will be Employment Solutions.

Employment Solutions will be open for business as usual for Job Connect, Sault Jobs Canada, and Employment Connection in Sault Ste. Marie along with our community partner – Sault Community Career Centre.

In East Algoma, beginning on April 1, Sault College Employment Solutions will serve Blind River and the north shore for any job seekers including Employment Insurance (EI) recipients and for Summer Jobs Services.

Further, in mid summer 2010, there will be some exciting changes to programming as the new Employment Ontario employment services roll out, with strong services to job seekers and employers in the Sault Ste. Marie, Blind River, Thessalon and the north shore.
