(Sault Ste. Marie, ON June 11, 2010) On Saturday, June 12, approximately 30 graduates and staff from the Sault College Bachelor of Science Nursing program will be gathering to celebrate the program, marking the fifth anniversary of its first graduating class. The celebration will unite alumni from the past five years, current and former faculty, staff and clinical teachers, alumni department staff, and administration at Sault College. Some attendees will be travelling to Sault College from other areas in the province.

Alumni are encouraged to gather at the college beginning at 10:00 am. A lunch reception will take place at the Gallery restaurant, on campus. Later in the day, there will be a dinner reception to be held at the Delta Hotel in downtown Sault Ste. Marie.

“We are very excited about gathering with our graduates not only to reminisce but also to look to the future. Our graduates are role models for the current students and are the practitioners, leaders and educators of the future. As our alumni, we invite them to share their experiences and new knowledge to help inform and continually improve our program,” says Marilyn King, Chair, Health Sciences Sault College.
