### **Continuing Education Winter Semester Registration is now open** *New course offerings available*

(Sault Ste. Marie, ON, January 7, 2014) Thinking of something to fulfill your personal or academic goals this winter? Sault College is pleased to announce that registration for the Continuing and Distance Education winter semester is now open.

“Continuing Education strives to provide a variety of part-time certificates, professional development and general interest courses that are offered through many convenient learning formats such as online learning through OntarioLearn, distance learning through Contact North, Independent Study and classroom learning,” notes Ted Newbery, Acting Chair, Continuing Education. “We are excited to be offering plenty of new courses this term that are sure to appeal to a variety of people.”

Two new certificate programs will be offered this year through OntarioLearn and Contact North. *Commercial Construction Management Certificate* provides practical training leading to application of principles and practices in the commercial Construction Management field and *Fetal Alcohol Spectrum Disorder Post-Graduate Certificate*, provides professionals with the specialized knowledge and skills in FASD and service delivery to individuals, families and groups at risk or living with FASD.

Want to kick start your health goals? Let this be the year that you commit to a healthy, active lifestyle by signing up for 6 new health and wellness courses including *FIT – Functional Interval Training*, *Walk your Way to Health*, *Build Your Bones*, *Indoor Cycling*, *YO-Flow* and *HIIT - High Intensity Interval Training*.

New Personal Growth and Wellness courses include *The Enlightenment Series* through the Indian Institute where students will learn about the secrets and splendour of centuries-old themes presented with a fresh, modern approach. Courses in this series include *Gateway to Serenity and Indian Classical Music/Indian Bollywood Music*.

If online learning is your preference, new courses offered through OntarioLearn include *Aboriginal Governance and Sovereignty, Drinking Water Operator in Training Certification Preparation and the Cisco Certified Network Associate Series*.

To learn more about these and other exciting programs offered through Sault College's Continuing and Distance Education department, view the 2014 winter guide [here](#) or contact Lori Amendola, Marketing Coordinator, Continuing Education at 705-759-2554 ext. 2598.

To register for these or any courses offered through Continuing Education contact the Sault College Registrar's office at 705-759-6700 (option 3) or toll free at 1-800-461-2260.
