

Convocation 2015

Congratulations on your success!

Dear Graduates,

As you sit here today, you are living proof of the importance of determination, hard work, optimism, and persistence during one's studies.

Chasing a dream requires that initial thought, idea or inspiration about what or who you would like to become and what you would like to do.

You took that idea and did something important with it. You applied to college.

Next, you applied yourself time and time again and kept doing so until you met every requirement needed to graduate. This was no easy feat. Now, you are here at this event celebrating the outcome of having done so.

Today is a celebration of you, your achievements, and the person you have become. We are so pleased that we can be here today to see you off during this last leg of your educational journey with us.

Your efforts and passion speak to the person that you are.

Our goal is for you to have been transformed during your time with us. Seeing you and your classmates here today, we believe that has happened. Through the people who have met and guided you, to the people you have inspired, we believe that this transformation will continue to impact our world positively in ways even we cannot yet imagine.

Our wish to you is that you continue dreaming those dreams that brought you to this point and that you keep finding ways to make those dreams come true. You have within you all that you need to reach any goal to which you aspire, and we stand behind you knowing that this is, indeed, possible as one of our grads. If you can imagine it, then it can be.

Please remember Sault College with fondness, and as our graduates, continue to be involved with our organization so that we can continue to make your alma mater stronger than ever.

All the best to you for a future filled with joy, fulfillment, and endless possibilities. Go for it!

Our Success

In 2015, Sault College became the number one College in Ontario for overall student satisfaction for the second year in a row as measured through the government of Ontario's Key Performance Indicators. We all share this achievement – congratulations to all of us!

Our Mission

Beyond the tradition, the history and the heritage – beyond the buildings, trees and stones, lies a quiet but bold aspiration: Sault College will be recognized as the pre-eminent student-centred post-secondary institution in the province with an unyielding dedication to giving students the tools to reach their goals and, in doing so, will be a cornerstone of the communities we serve.

Our Values

Reaching the goals of Sault College's Strategic Plan will involve the combined effort of our organization and community partners who will be guided by the following:

STUDENT-CENTRED

We exist for the sake of our students.

RESPECT

We value each other as persons and treat each other with equity and respect.

EXCELLENCE

We are engaged in the constant and passionate pursuit of excellence in our people, programs, and service.

COMMUNICATION

We encourage the active and honest sharing of ideas and information.

COLLABORATION

We promote teamwork and participatory decision making.

ECO-CONSCIOUS

We respect the environment and will use an eco-conscious approach in all that we do.

PARTNERSHIPS

We are committed to making the community better through positive impact on local organizations.

INCLUSIVE

We will be accessible to those who want to learn with us.

INNOVATIVE

We will work effectively across disciplines to embrace new approaches together.

Graduation Notes

PROCESSIONAL

Guests will be asked to stand and remain standing for the processional.

CEREMONIES

Guests are requested to stand and please join in the singing of the national anthem. When the graduates are presented with their certificate, diploma, or degree, please withhold your applause until the final member of each school has been introduced. Students not attending these ceremonies who have also been successful in their studies are granted their degrees, diplomas or certificates in absentia.

PHOTOGRAPHS

Guests are welcome to take photographs or video their graduates in the designated area as they receive their credential from the President. We ask that guests please move quietly and respectfully to and from the photo area and return to your seats just after your grad crosses the stage. We appreciate your patience and understanding with others at this important and proud time in your lives.

RECEPTION

Graduates are invited to mingle with their family and friends at a reception with refreshments provided in the Common Link, located on the main level of the Student Health and Wellness Centre, after the ceremony.

LIRIPIPES

The liripipe is the College symbol of graduate achievement. It is an embroidered cloth in the College colours displaying the College crest. The cloth is draped over the right shoulder of the graduates, signifying their status as a Sault graduate of College with all rights and privileges. In a time-honoured tradition, those Sault College staff who have immediate family members graduating will bestow their liripipes upon them. If you would like to purchase a liripipe as a keepsake, they are available for sale in the lobby or visit harcourts.com or call (416) 977-4408. Please return all others with your gown.

ALUMNI ASSOCIATION

The Alumni Association is committed to the success of Sault College students. The association encourages you to stay in touch with us by accessing the alumni website at www.saultcollege.ca. Your benefits include free membership to Toastmasters communication and leadership development on campus. Please join us weekly each Tuesday at 11:45 a.m. in the new Health and Wellness boardroom at Sault College, your alma mater.

SOUVENIR/FLOWER SALES

The Bookstore is open and located on campus if you wish to purchase a special Sault College memento for you or your graduate. The Sault College Students' Union is selling flowers as well to help celebrate this occasion.

WE WISH TO THANK CANADIAN TIRE FOR THE DONATION OF THE PLANTS ON THE STAGE TODAY

GRATITUDE AND TRAVELLING SONGS

Local First Nations, Metis and Urban Aboriginals are an important part of our Sault College community. The Baawaating Community Jingle Dress Dancers, White Frost Drum and White Thunder Women's Drum Group represent the wishes of the community for wellness and success on our graduates' journeys into their communities. Those wishes are rooted in the respect, inclusion and tradition of sending all graduates into their future with a reminder to give thanks for what we have as one door closes and another opens.

THE RECESSIONAL

The Congregation is asked to remain seated during the Recessional which marks the end of the formal ceremony.

RECEPTION

Graduates are now encouraged to mingle with their family and friends at a reception in the Common Link, located on the main level of the Student Health and Wellness Centre. Please return your gown, hood and liripipe as soon as possible to help prepare for next year's Convocation ceremony.
