Join Sault College as it hosts the annual Ontario College Information Program (CIP) open house on Tuesday, October 11 from 9:30 a.m. – 11:30 a.m. in the Common Link. Sault College recruiters will be available to showcase our many programs and to highlight everything the College has to offer!

Various colleges from across the province will also be onsite to provide information about their schools and programs, including: Algonquin, Cambrian, Canadore, Centennial, Conestoga, Confederation, Durham, Fanshawe, George Brown, Georgian, Lambton, Northern, Ridgetown and St. Lawrence College.

“Sault College has been rated as either first or second in overall student satisfaction for the last five years, and we want students and their families to get a glimpse into the many reasons for this. They’ll have an opportunity to see our incredible facilities, have some fun and leave the event with great information,” says Ray Escasa, Student Recruiter at Sault College.

Admission to the event is free and everyone is welcome. “Parents are also encouraged to attend the event to meet representatives face-to-face and ask any questions about our College and programs,” adds Escasa. The deadline to apply for equal consideration into any Ontario college program for the 2017–2018 school year is February 1, 2017. Students can begin applying in mid-October through ontariocolleges.ca.

There is also still time to register for a variety of programs beginning in January 2017. Student Recruiters will be available to answer questions about these programs, including: Adventure Recreation and Parks Technician, Business, Fish and Wildlife Conservation Technician, Forest Conservation Technician, General Arts and Science – One Year, Mechanical Engineering Technician – Manufacturing, Natural Environment Technician and Technologist – Conservation and Management, Personal Support Worker, Police Foundations, Pre-Health Sciences, Protection, Security and Investigation and Public Relations and Event Management, along with the study and ski pass partnership between Sault College and Searchmont Resort.
