Sault College Business Plan 2009/10

INTRODUCTION

As Sault College expands to meet the growing needs of today's student and society, it is important for us to map out the steps needed to reach the results necessary.

Our business plan reflects the action items we will take to reach our goals as a student-centred and progressive learning organization.

Working together, our College is rising to the challenge of becoming better. Many of the action items identified in this document will require the collaboration of teams across the organization.

We know that through our efforts, we are touching the lives of people who learn with us, and as such, we are making a tremendous difference to society.

The Sault College 2009-2010 Business Plan has been prepared within the framework outlined in the college's strategic plan for 2004-2009.

The operational outcomes that Sault College is expected to achieve will be identified.

This plan is presented in accordance with Section 8 of O. Reg.34/03 under the Ontario Colleges of Applied Arts and Technology Act, 2002 and will be posted on the Sault College website www.saultcollege.ca as specified.

OUR PURPOSE

Student success through academic excellence and research.

OUR VALUES
