Sault College Scholarships, Bursaries and Awards

Sault College's annual Scholarships, Bursaries and Awards ceremony is a major highlight of the academic year. The return to an in-person celebration, after a two-year break, makes this night even more special for all of us. We extend out sincere appreciation to the many individuals, organizations, and businesses whose support allows the College to honour our students.

We express our thanks, first and foremost, to our awards sponsors. There would be no Scholarships, Bursaries and Awards program without your gifts. We also acknowledge the important work of the Scholarships, Bursaries and

Awards Advisory Committee and the Student Financial Assistance Office staff. Just as the number of awards grows annually, so does the year-round time and effort required to manage and coordinate the Awards program. Finally, many other departments within the College lend important support to the Scholarships, Bursaries and Awards program. A special recognition to the Financial Services team and the Marketing team who dedicate their time and expertise to this memorable event.

Congratulations, students. You have made us all very proud!

President's Message

This year marks the 49th anniversary of the Scholarship, Bursaries and Awards (SBA) program at Sault College. Through this program we are able to highlight the amazing achievements of our students, which we take great pride in.

Our greatest commitment is to the learning and development of our students and through our SBA program we are able to recognize them for the hard work and dedication they've exemplified and it allows us to showcase how proud we are of their accomplishments. However, the SBA program is so much more than that. It also highlights the incredible support of our donors who believe in our students, in our College and in the importance of supporting learners throughout their educational journey.

Each year, awards are given out to deserving students based on academic merit, personal attributes and unmet need. With increasing costs of attending post-secondary school, the strength of the financial assistance program is critical to ensuring that all students have access to education and to training opportunities. Our donors have allowed our SBA program to continue to grow despite the current economic reality. This is a

true testament to the confidence our donors have in the strength of our post-secondary institution, the quality of education, and their willingness to contribute to the education of our learners. It also shows just how important and vital the Algoma region believes Sault College is to the success and sustainability of this community and to its future. I hope each of our donors know how life-changing their ongoing support is and how much this is appreciated not only by our learners, but by the entire Sault College community.

We continue to be truly inspired by the tremendous gesture that many people make as they donate funds in memory of a loved one while providing an opportunity for a student to continue a post-secondary education. To each individual, agency and corporate donor, we recognize and are humbled by your generosity and commitment in giving our students new and exciting opportunities. We offer our heartfelt gratitude to the new donors joining us this year for your inspiring contribution to the well-being of our College and learners. You join the ranks of many dedicated annual donors and, when we are able, we would like to invite you to our campus for a tour to see how your support is being used.

Congratulations to all of our recipients and to the families and friends who have supported them throughout their educational journey. We wish you continued success and an exciting and prosperous future.

Our Mission

OUR MISSION

Sault College will be recognized as the pre-eminent student-centred post-secondary institution in the province with an unyielding dedication to giving students the tools to reach their goals, and in doing so, will be a cornerstone of the communities we serve.

OUR VISION

We will make our society a better place by providing a transformative life experience through empowering those who study with us to think and learn in progressive, innovative ways, including those we have not yet imagined.

OUR VALUES

Reaching the goals of Sault College's Strategic Plan will involve the combined effort of our organization and community partners who will be guided by the following:

STUDENT-CENTRED

We exist for the sake of our students.

RESPECT

We value each other as persons and treat each other with equity and respect.

EXCELLENCE

We are engaged in the constant and passionate pursuit of excellence in our people, programs, and service.

COMMUNICATION

We encourage the active and honest sharing of ideas and information.

COLLABORATION

We promote teamwork and participatory decision-making.

ECO-CONSCIOUS

We respect the environment and will use an eco-conscious approach in all that we do.

PARTNERSHIPS

We are committed to making the community better through positive impact on local organizations.

INCLUSIVE

We will be accessible to those who want to learn with us.

INNOVATIVE

We will work effectively across disciplines to embrace new approaches together.

**Drs. Bijan and Simin Payandeh
Scholarship**

EMILY BRADSHAW

CASSANDRA BRECKENRIDGE

Dr. Bijan Payandeh and Dr. Simin Payandeh came to Canada over 50 years ago. Since Bijan had accepted a Research Scientist position from the Canadian Forestry Service to join the Great Lakes Forestry Research Centre in Sault Ste. Marie, they settled in this community. They have overcome numerous financial, immigration and Provincial Board Exam obstacles successfully. Bijan worked as a Forest Biometrician for 30 years and Simin as a dental Surgeon for 38 years. They worked very hard, saved and invested

where they could. Both were recognized by the late Shah of Iran, receiving medals for high scholastic achievements and educational scholarships. Having contributed to the community in every which way they knew, they decided to establish these scholarships as a lasting tribute to their names.

The legacy of Dr. Bijan and Dr. Simin Payandeh will continue in many ways, including through their family.

“We were blessed with three healthy, bright children, Nina Lynn (an Alumni of Sault College, with a Master’s Degree in Nursing Education, living in Sault Ste. Marie), Dr. Jubin Bijan (a well-recognized Orthopaedic Surgeon in Thunder Bay) and Dr. Jian Mehr-Dean (a Principal Scientist in Structural Biology at Genentech Pharma, in South San Francisco, California). We raised them to best of our ability and by the Zoroastrian principles of “Good Thoughts, Good Deeds and Good Words”.
