# Hello

## LAND ACKNOWLEDGEMENT

Located in the Robinson Huron Treaty territory, we are grateful to Mother Earth for providing us the land, water, air, and food needed to sustain all life and we acknowledge Indigenous Peoples as the original stewards of this land who have lived in harmony and in respect with all Creation. As we are all relations, it is important to recognize this interconnected relationship with one another and our obligation to respect the land that has nourished, healed, protected, and embraced us. We honour Batchewana First Nation and Ketegaunseebee (Garden River First Nation) as the original caretakers of the land that Sault College is situated on and acknowledge the contributions of the historical Métis Nation of Sault Ste. Marie in the stewardship of this territory.

## EXPERIENCE THE SAULT AND FALL IN LOVE

During your time here, you will see amazing coastlines along the Great Lakes, ancient mountains of the Canadian Shield, numerous rivers and lakes, pristine beaches, and winter activities that will keep you moving.

You will ski down one of the tallest ski hills in Ontario. So, if you're into downhill skiing or snowboarding, get ready for some serious thrills. If winter is not your thing, you can take a breathtaking hike at Robertson Cliffs or bike along the Hub Trail that spans the city of Sault Ste. Marie.

If the outdoors isn't your thing, you can attend festivals, concerts, sports competitions, and all sorts of fun activities. Visit [saultcollege.ca/whyus](http://saultcollege.ca/whyus) to learn more about your amazing new city.

SEARCHMONT RESORT HAS A 703-FOOT VERTICAL GIVING YOU 26 DIFFERENT RUNS FOR SKIING, SNOWBOARDING AND SO MUCH MORE

Pancake Bay Provincial Park is a must-experience, with 300 campsites and a 3-km beach with Caribbean-style blue waters

# True Sault

# TWO-TIME TRIUMPH

What an amazing year for your women's hockey team, who won their second American Collegiate Hockey Association (ACHA) Division 2 National Championship, defeating Assiniboine Community College 5-2 in St. Louis.

We are so very proud of the women's hockey team as they clinched their second consecutive ACHA Division 2 National Championship, showcasing incredible teamwork and skill. The coaching staff praised their dedication and effort, and now the team is geared up to maintain this momentum as they eye up a possible three-peat!

**“Winning gold at Nationals for the second consecutive year still feels surreal.”**

“I am overwhelmed with gratitude for my amazing teammates, coaches and supporters. This achievement is a testament to the hard work and dedication we put into this sport as a team. As we celebrate this victory, we are already setting our sights on next year, determined to continue finding success and bringing home the gold again. Thank you to everyone who believed in us and who fuelled our drive to succeed!”

**HALLE MACLACHLAN**  
General Arts and Science

## ATHLETICS

**If you're an athlete or just love staying fit, you'll feel right at home.**

From national championship varsity teams to fun campus leagues, you will find it all here. Whether you're competitive or just want some fun, you will have endless chances to join in! Your varsity teams compete in the OCAA, CCAA, and ACHA, bringing national and provincial recognition to our Cougars. You will have access to varsity programs in:

- Men's Curling
- Men's Golf
- Men's Hockey
- Men's Baseball
- Men's Football
- Women's Curling
- Women's Golf
- Women's Hockey
- Women's Volleyball

If you're more into having fun and earning bragging rights, you can join our recreational sports like floor hockey, futsal, volleyball, badminton, dodgeball, and more!

# YOUR HEALTH AND FITNESS

**Your Health and Wellness Centre has everything you need to stay fit and healthy.**

Enjoy modern top-notch equipment with the friendly, certified staff here to help you get started. Whether you're into group exercise classes, personal training, solo strength and cardio workouts, or just some fun open recreation with friends, you will be covered. Come on in and see how we can help you reach your fitness goals!

# YOUR SERVICES AND SUPPORTS

Your success and well-being are important to us!

## Student Health & Wellness

### Student Health Centre

If you need help with your physical, mental, and emotional health, your Student Health Centre is here to support you with a comprehensive range of services and resources. We want you to stay healthy and thrive!

### Counselling

Our counselling team offers academic accommodations or counselling to support your personal and/or mental health challenges. Let's meet one-on-one to determine your specific needs and provide referrals to other College and community services.

### Accessibility Services

Your needs are as unique as you are, and we have dedicated staff and resources to help you navigate college life. We'll provide accommodations and learning plans that support your needs. If you need help with your studies, our Learning Strategists and Assistive Technicians can develop strategies to support your course work and provide assistive devices geared to your individual needs.

### Testing Centre

Whether you have accessibility accommodations or simply need to write a test out-of-class, our testing centre is open daily to support you. We will help you arrange for testing supports and communicate with your professors confidentially for your learning needs.

### Mental Health

With counselling, group supports, connections to campus, and access to community resources, we are ready to help. We host mental health awareness and information sessions year-round and will provide resources to help navigate mental health challenges. Access 24/7 crisis support through the I.M. Well app, which provides students free and confidential mental health services and counselling any time of day, in over 240 different languages. And don't forget Cooper and Maggie, your student service dogs, who frequent campus for all the belly scratches!

For more information on services to support you, visit [saultcollege.ca/studentservices](https://saultcollege.ca/studentservices)

## Student Success

### Success Coaching

Your success is our success, and our role is to support you from registration through to graduation! If you have questions, need help with semester planning, notetaking, effective study strategies, or are simply struggling to stay on track, we are here! Get involved through events, get help in your courses through peer tutoring, and stay connected to valuable resources and information in the Success Hub. And check out our College podcast – The ROAR! – for College information, special events, and updates, with a new episode every Sunday!

### Faculty-Led Supports

Have a challenge with a math problem? Need some guidance on formatting and citing sources? The Radical Room offers support for math students, while The Write Place is your on-campus stop for language help.

# HOME AWAY FROM HOME

## WE'VE GOT YOUR BACK WHEN IT COMES TO LIVING IN RESIDENCE!

Move in where comfort meets community in a safe and student-friendly environment.

You will find comfort in spacious double, single, premium single, and barrier-free rooms. During your stay, set study hours provide a positive learning environment while social activities offer fun opportunities for school-life balance.

The Residence staff will ensure that your stay at Ray Lawson Hall is enjoyable by providing fun programming and support. They're available to support during emergencies (even after hours) so you're covered no matter what. If you need help with housing concerns, payments, or the admission process, your Residence Coordinator has your back.

Your team of Residence Advisors are experienced senior students living right here with you. They've been through it all and they're ready to share their college wisdom and make sure you're in the loop about everything happening in residence and at the College.

Get ready for endless fun! Enjoy activities like College sporting events where transportation will be provided to and from the event, plus floor hockey, dodgeball and so much more. We'll take you on beach days and city-wide scavenger hunts – we even want to hear your ideas for events that you'd like to see throughout the year.

### Want to know more?

Check out [saultcollege.ca/residence](https://saultcollege.ca/residence)

### Need housing assistance?

Email [housing@saultcollege.ca](mailto:housing@saultcollege.ca) to help you get settled!

### Our Rates\*

ROOM ASSIGNMENT	TOTAL COST
DOUBLE	\$5,589
SINGLE	\$6,420
PREMIUM SINGLE (limited number)	\$7,236

\*There is no meal plan requirement for Residence. Room availability, room type, and costs are subject to change for 2025-2026. Visit [saultcollege.ca/residence](https://saultcollege.ca/residence) for updated information.

# YOU ARE WHO WE CELEBRATE

**Your diverse qualities make you unique, and we love that!**

Your College community is dedicated to creating a welcoming environment and promoting diversity through policies, initiatives, and events like International Students' Day. The Campus Watch initiative enhances your safety, and support is available through the Equity, Diversity, and Inclusion Department. We also champion gender and sexual diversity, providing resources like all-gender washrooms and a student-led Pride Club.

For support, students can access culturally competent counsellors. Contact [EDI@saultcollege.ca](mailto:EDI@saultcollege.ca) for any questions or concerns you may have.

**“At Sault College, we want you to feel like you belong, no matter who you are.”**

**KRISTEN AUER**  
*Equity, Diversity, and Inclusion Educator*

**You will have access to Employment Services during and beyond your studies. Learn more about these amazing services.**

### **Student Job Centre**

Your Student Job Centre (SJC) offers employment services while you study and after you graduate. Get connected to industry partners related to your program area. Access support like cover letter and resume development, goal setting, interview prep, job matching, job trials, workshops, information sessions, and career exploration. You can stop in to view job postings, work with the team for customized support, or use computer stations for your job search needs.

### **Employment Solutions**

Once you are approaching graduation or have already completed your full-time studies, Employment Solutions (a department of Sault College) is here to support you while you are job seeking. As part of a network of Employment Ontario service providers funded by the Ministry of Labour, Immigration, Training and Skills Development (MLITSD), you will benefit from five decades of experience supporting job seekers and employers! Get one-on-one employment consulting, resume and cover letter development, individualized job search planning, networking opportunities, mock interviews, job matching, and placement initiatives, and more.

# EMPLOYMENT SERVICES

**“I had an excellent experience with the Student Job Centre. The entire team made me feel like part of a small family dedicated to helping me find a job.”**

**VASUNDHRA KAPOOR**  
*Health Care Leadership  
and Student Library Worker*

# YOU'RE GOING TO LOVE BEING HANDS-ON

You learn by doing. Your focus is experiential learning, which means you get hands-on experience and reflect on it to build solid knowledge. And that is cool! Instead of just lectures and books, you'll dive into real-world situations, solving problems, making decisions, and working with others. This gives you valuable experience before your career starts — something employers love. We use cutting-edge technology with simulators, interactive labs, co-ops, and field camps to create the best learning environment for you.

# EXPERIENTIAL LEARNING

# AMANDA CANDIDO

## Aviation Technology – Flight

Meet Amanda, a 2024 graduate of the Aviation program. Choosing Sault College was a no-brainer for her because of its reputation as one of the more renowned flight schools, affordable tuition, and being close to home. The program set her up for a successful aviation career, giving her skills that truly make a difference in her life. She urges future students to check out student resources like financial aid and career support, and to visit the campus for some great guidance.

WE AIM

# High

“My lifelong dream of becoming a pilot brought me to Sault College’s Aviation program. I really value the support of experienced faculty and instructors.”

**KIMANI HAYDEN**  
First-Year Aviation Technology – Flight

# AVIATION

Aviation Technology – Flight

See page 62 for more details  
or visit [saultcollege.ca/aviation](https://saultcollege.ca/aviation)

**Are you ready to touch the clouds?  
This is your ultimate ticket to making  
your career soar.**

You'll be equipped with the skills needed to become a licensed pilot and explore incredible places worldwide. The impressive 12,000-square-foot hangar houses 17 well-maintained aircraft, ensuring safe responsive flying. When not in the sky, you'll train in our state-of-the-art simulators with realistic flying scenarios. With on-campus instruction, flight simulation, and hands-on training, you'll dominate the field and experience jaw-dropping views wherever you go. Here, gravity doesn't hold you back!

You'll graduate with a commercial pilot's license that meets Transport Canada's criteria, opening you to global job opportunities. If you have prior flight training, we'll tailor your learning from day one to ensure you get the most out of it. Your path is yours to choose, and the sky is the limit!

#### **DID YOU KNOW?**

Your aircraft are equipped with ADS-B transponders so you will have access to nearby traffic altitude and directional readouts similar to traffic avoidance equipment on larger commercial airliners.

#### **AVIATION DAY**

Want to tour our Hangar and simulators? Register to attend one of our Aviation Day events at [saultcollege.ca/aviationday](https://saultcollege.ca/aviationday)

# JO-MAREE MANLULU

## Business

Meet Jo-Maree, a Business diploma graduate. At Sault College, she was active in the Campus Watch program, Peer Tutoring, and volunteered for the Community Volunteer Income Tax Program. She also competed in the Ontario Colleges' Marketing Competition and the Northern Ontario Business Case Competition, representing Sault College and placing in both!

Jo-Maree chose her field to enhance her skills as an Administrative Assistant, which paid off as she is now a Staff Accountant at a local firm – something she never thought possible before attending Sault College. Her time here was amazing thanks to the supportive environment, Student Success Program, and engaging events with faculty, making studying fun and memorable.

**Do you have big dreams for your business career? The School of Business is here to turn you into a leader, innovator, and problem solver. You can even start with a diploma and then level up to a degree with pathway opportunities.**

You will be exposed to programs that cover a range of necessary skills. Dive into essential areas like accounting, marketing, finance, HR, operations, and communication with our dynamic Business program. If you are a finance enthusiast, then you will love the Business – Accounting track. You can also explore programs in Sports Administration, Business – Human Resources, and Business – Marketing. You have a lot to choose from!

Already have a diploma or degree? You can explore our post-diploma programs in project management, global business, office administration, or health care administration. You'll be ready for the competitive business world with an evolving curriculum, whether you're just starting or looking to advance your career.

Join us and gain the skills and expertise to succeed.

## Designations

### **CHARTERED PROFESSIONAL ACCOUNTANT (CPA) AND REGISTERED PROFESSIONAL ACCOUNTANT (RPA)**

Your Business – Accounting program prepares you to pursue both the Chartered Professional Accountants of Ontario (CPA) and Registered Professional Accountant (RPA) designations, providing clear pathways to expand your career opportunities.

### **CERTIFIED PROFESSIONAL BOOKKEEPER (CPB)**

Enrolling in Business – Accounting or Business will align you with Canada's largest and fastest-growing certifying body of bookkeepers. Once you graduate, you can fast-track toward the nationally recognized Certified Professional Bookkeeper (CPB) designation.

### **TWO DIPLOMAS + CERTIFIED HUMAN RESOURCES PROFESSIONAL (CHRP) DESIGNATION**

Once you graduate from your Business program, you will be eligible to return for an additional year of studies to complete a Business – Human Resources diploma. You'll get two diplomas in three years! Our Business – Human Resources diploma has also been approved by the Human Resources Professional Association (HRPA) for satisfying the full course-work requirement on the path to your CHRP designation.

### **PROFESSIONAL INSIGHTS**

Your business programs are taught by industry experts, ensuring you'll benefit from specialized courses filled with real-world examples and practical insights, maximizing your learning experience and career readiness.

**“Our business programs offer exceptional opportunities for students to fast-track their careers. Defined certification pathways, such as the CPA, RPA, CPB, and CHRP, ensure our graduates meet today's employer demands.”**

**BARB BRINGLESON**

First-Year CICE Student

# CICE

Community Integration Through  
Co-operative Education

See page 63 for more details  
or visit [saultcollege.ca/CICE](http://saultcollege.ca/CICE)

**Are you looking for that college experience with some extra academic support? Look no further because our Community Integration through Co-operative Education (CICE) program has got you covered!**

CICE is a two-year Ontario College Certificate program offering you hands-on learning, personalized academic support, and great job prep. You'll build confidence, make friends, and enjoy the full college experience. How amazing!

Get ready to boost your academic, vocational, and social skills through classroom and lab work. Improve your tech and communication skills and gain employable skills through real-world experiences during your three field placements. Plus, you'll have a Learning Specialist to provide tailored support that matches your strengths.

You have 15 program areas of study to choose from! You will learn with your peers across the College and take part in field placements directly related to your area of study for amazing hands-on opportunities and experiences.

Join our tight-knit community and discover your potential with the CICE program.

### Areas of Study:

- Business
- Computer Literacy
- Construction/Pre-Trades
- Culinary Skills
- Early Childhood Education
- Esthetician
- General Arts
- Millwright/Machine Shop Skills
- Motive Power
- Natural Environment – Adventure Recreation
- Natural Environment – Fish and Wildlife Conservation
- Personal Support Worker
- Protection and Security
- Social Service Work
- Social Service Work – Indigenous Specialization

# COMMUNITY SERVICES

Social Service Worker –  
Indigenous Specialization  
Social Service Worker –  
Indigenous Specialization  
(Thunder Bay)

See page 63 for more details or  
visit [saultcollege.ca/community](http://saultcollege.ca/community)

**Do you love making a difference? The Community Services programs are perfect for you! If helping others is your passion, you'll fit right in. You're all about selflessness and improving lives, even if you're too modest to say it. So, we're saying it for you. Let's chat about how we can help you reach your career goals.**

Are you interested in Early Childhood Education (ECE)? This program offers unique, research-based training, including methods from The Hanen Centre®. This approach boosts children's social, language, and literacy skills. With your diploma, you can register as a Registered Early Childhood Educator (RECE) and even transfer credits to universities to complete a degree.

And hey, you'd also be amazing as a social service worker! Our Social Service Worker (SSW) programs teach you the theories and skills for social justice and well-being. You can even specialize in our Indigenous program, learning to practice with a culturally-competent approach and deepen your knowledge of Indigenous issues.

## REGISTER AS A SOCIAL WORKER

As a graduate of one of our Social Service Worker programs, you'll meet the requirements for registration to become a regulated professional Social Service Worker with the Ontario College of Social Workers and Social Service Workers (OCSWSSW).

## PATHWAY TO A DEGREE

Complete your diploma here and earn your degree with our Social Service Worker and Social Service Worker – Indigenous Specialization pathways with partnering universities. Visit [saultcollege.ca/pathways](http://saultcollege.ca/pathways)

# CULINARY

Culinary Management (Co-op)  
Culinary Skills – Chef Training

See page 64 for more details  
or visit [saultcollege.ca/culinary](http://saultcollege.ca/culinary)

**Do you love tasting your homework? If food is your love language, the Culinary programs will speak to you! Whether in the kitchen or running a successful restaurant, the real you was born to lead. Learn about contemporary and classical food preparation techniques in your state-of-the-art food labs, tap into your creativity as you menu plan, and gain a deep understanding of food and beverage management.**

Cooking and creating dishes is your art, and you love connecting people through your work, which makes us super excited! Our Culinary Skills – Chef Training and Culinary Management programs will have you working with experienced chefs, learning techniques to make you shine in any kitchen. Gain the skills to prepare food for 1 to 100+ people in our industrial facility and get creative with hands-on presentation methods – because you eat with your eyes first!

The Culinary Management program takes your skills to the next level with paid co-ops in dynamic kitchens, where you'll learn from skilled chefs and experienced restaurateurs in highly regarded local restaurants. We can't wait to see where your career takes you – whether it's at an international resort, a five-star restaurant, a supper club, or launching the next big food trend. Find your flavour here.

## CO-OPERATIVE EDUCATION

Earn money and hands-on experience with a paid co-op over the summer semester with your Culinary Management program. Employers highly value the industry experience combined with postsecondary education. Special focus is given to the importance of interpersonal teamwork, technical, and leadership skills as they meet the daily challenges of a dynamic, customer-focused environment.

# YOUR INNOVATION

**Robotics is the future, and we're here to help you succeed in your engineering career.**

Gain hands-on experience in our state-of-the-art labs, collaborate on real-world projects with local organizations, and learn with the coolest new tool — Spot!

**Spot® — The Agile Mobile Robot is a dynamic sensing platform that provides valuable insights into routine operations, site health, and potentially hazardous situations.**

**9**  
STATE-OF-THE-ART ROBOTIC ABB ARMS

# ENGINEERING TECHNOLOGY

Bachelor of Engineering – Mechatronics Engineering  
 Civil Engineering Technician (Co-op)  
 Electrical Engineering Technician – Process Automation and Trades

Instrumentation and Control Engineering Technician  
 Mechanical Engineering Technician – Manufacturing Technology  
 Mechanical Engineering Technology  
 Pre-Trades and Technology  
 Robotics and Automation

See page 64 for more details or visit [saultcollege.ca/engineering](http://saultcollege.ca/engineering)

**What if? These two little words spark every piece of modern tech we use today. You're the curious mind who turns those "what ifs" into reality. You are ready to make things better, faster, and easier. And it all starts here.**

Earn a Bachelor of Engineering – Mechatronics Engineering degree right here, in partnership with Humber College. Get hands-on experience with cutting-edge technology and choose between robotics or embedded systems. Tackle real industry problems to gain skills in mechanical, electrical, electronics, and computer engineering.

Our industries rely on electricity, creating a high demand for skilled electrical workers. The two-year Electrical Engineering Technician – Process Automation and Trades program equips you with the skills to excel in electrical trades, focusing on electrical motors, automated control systems, PLCs, and transformers in your state-of-the-art labs. Prepare to install, test, modify, troubleshoot, and repair electrical systems in your career. The bonus? You can choose to complete the Instrumentation and Control Engineering diploma right here, with just a few extra courses.

Mechanical Engineering programs are designed to equip you with skills essential to a career in modern manufacturing and engineering sectors. Focus on

developing expertise in designing, testing, and maintaining machinery and systems, and cover skills in CAD, mechanical testing, and equipment maintenance. Get hands-on learning opportunities in your labs to prepare for a role in industries like steel, mining, and green energy.

Pause and listen to the world around you. Engineering makes it all happen. From roads to computers to engines – nothing will work without civil, electrical, robotics, and mechanical engineering. Find your perfect fit right here.

## MECHATRONICS ENGINEERING SCHOLARSHIPS

Offering scholarship opportunities up to \$4,000 for Bachelor of Engineering – Mechatronics Engineering students.

# GENERAL ARTS AND SCIENCE

General Arts and Science – One-Year  
General Arts and Science – University Transfer

See page 64 for more details or visit [saultcollege.ca/GAS](http://saultcollege.ca/GAS)

**Still figuring out what you love? In a world full of options, we're here to help you find your path to career success. We can't wait to see where it takes you.**

The General Arts and Science programs let you explore a ton of interesting subjects while building valuable skills in communication, critical thinking, and interpersonal relations. Dive into social sciences, humanities, communications, math, and science to discover your ideal career path. Plus, faculty will help you choose electives and create a schedule that fits your needs and goals – whether you're full-time or part-time.

Take your newfound passion further with one of many diploma programs offered here. Meet the requirements, and you could transition smoothly into your program of choice. We reserve 10% of spots in other programs for One-Year General Arts and Science grads. This is a great way to strengthen your academic skills to move on to high-demand program areas.

Thinking about university? No problem. Choose the General Arts and Science – University Transfer diploma program to get you started on your path. Get a solid foundation for university study and explore the many pathways available to graduates for programs right here or with partnering universities.

We're committed to giving you the best environment to explore your interests and prepare you for your next steps.

## PATHWAY TO A DEGREE

Earn your two-year General Arts and Science – University Transfer diploma and explore opportunities to complete your degree in as little as two more years. Continue with Algoma University for your Bachelor of Arts in English, History, Political Science, Sociology, Psychology, or Law and Justice. You can even choose to transfer credits to complete your degree at Ontario universities like Laurier. Visit [saultcollege.ca/pathways](http://saultcollege.ca/pathways)

## AVA ENGEL

### Bachelor of Science – Nursing (Honours)

Meet Ava, a second-year Bachelor of Science in Nursing student. Her decision to study nursing was inspired by a family tradition of nursing professionals. Staying local has allowed her to maintain community ties, explore northern healthcare needs, and reduce educational expenses. Ava appreciates the close-knit community at Sault College, with small class sizes and personalized support from professors. The state-of-the-art nursing labs and clinical placements offer hands-on learning, preparing her for a successful nursing career. She encourages prospective students to embrace opportunities on campus, including intramural leagues and the college gym for meeting new people and fostering a sense of belonging.

## Love caring for others? Your passion inspires us, and our Health programs are all about the people!

Get ready for real-world success in nursing with clinical placements, cutting-edge simulation labs, and small class sizes. Complete all four years of the Honours Bachelor of Science in Nursing (BScN) degree program here – with placements starting in the first semester. Or choose the two-year Practical Nursing (PN) diploma program, where experienced faculty help you gain the skills and knowledge to prepare to become a registered practical nurse.

If you're into helping others regain independence and overcome daily challenges from illness, injury, or disability, then the Occupational Therapist Assistant and Physiotherapist Assistant (OTA & PTA) program will be your path to a rewarding career. With a blend of classroom learning, lab work, field placements and your on-site physiotherapy clinic, you'll have unique opportunities for real-world practice. If you're not done here, you can choose a pathway to a degree with partnering universities.

The one-year Pre-Health Sciences certificate program is designed to prepare you for entering a related diploma, advanced diploma, or degree program. Study essential

subjects like human anatomy and physiology, biology, chemistry, math, and communication skills. From here, you can choose a pathway to the BScN program.

### PATHWAY TO A DEGREE

Earn your Occupational Therapist Assistant and Physiotherapist Assistant diploma in two years and then move on to university to complete your degree in Kinesiology. Visit [saultcollege.ca/pathways](http://saultcollege.ca/pathways)

### SEE OUR SIMULATION LABS

The Adult Medical-Surgical Simulation Lab allows you to get hands-on experience with real-world situations in healthcare settings. Our many health labs allow you to focus on communication, critical thinking, and hands-on skills. Take a virtual tour of our health labs at [saultcollege.ca/VR](http://saultcollege.ca/VR)

# HONOURING INDIGENOUS TRADITIONS

**Sault College is about celebrating the languages, cultures, and traditions of Indigenous and Métis students.**

We blend cultural worldviews into our curriculum and offer Indigenous-specific programs. Our support services include counselling, tutoring, help with college applications, and a welcoming social environment at Enji Maawnjiding, the “Where We Gather” Indigenous Centre.

Here, education and life go hand in hand. You'll have access to Elders, Indigenous professors, and instructors, and you can join your Indigenous Students' Union. We offer scholarships, bursaries, and awards just for Indigenous students. Community is key, so don't miss out on student events, feasts, our annual powwow, and the Sacred Fire Arbour.

**Meet Barbara Nolan**  
RESIDENT ELDER

Barbara was honoured with the 2021 Ontario Arts Council Indigenous Arts Award, the 2021 Indigenous Professional of the Year Award by Sault Ste. Marie Chamber of Commerce, and the Sault Ste. Marie 2021 Medal of Merit. We wholeheartedly embrace and promote Indigenous traditions and cultures through our dedicated staff who embody these values in their daily lives, fostering community and knowledge sharing.

**Meet Teena Gilstrap**  
INDIGENOUS STUDENTS' UNION PRESIDENT

Teena advocates for Indigenous students by representing their interests to the College administration and promoting cultural awareness through events like celebrations and workshops. She aims to create an inclusive environment that educates the campus on Indigenous issues while empowering students to take pride in their heritage. By fostering a sense of community, Teena helps Indigenous students thrive academically and positively impact their communities.

Specialization

## Meet Ariel Williams

SOCIAL SERVICE WORKER –  
INDIGENOUS SPECIALIZATION  
GRADUATE

Ariel is an Indigenous woman from Garden River First Nation who graduated with honours from the Social Service Worker – Indigenous Specialization program at Sault College in 2024. She is now pursuing a pathway to a Bachelor of Social Work at Algoma University. She was part of the Mental Health & Wellness Advisory Committee at Sault College, advocating for student mental health, and aspires to establish an Elder's Complex in her community.

# INDIGENOUS STUDIES

Anishinaabemowin – Immersion  
Biidaaban Indigenous Foundations  
Social Service Worker – Indigenous Specialization  
Social Service Worker – Indigenous Specialization  
(Thunder Bay)

See page 65 for more details  
or visit [saultcollege.ca/indigenous](https://saultcollege.ca/indigenous)

**Indigenous languages hold deep wisdom and expression, representing history, land, ceremonies, and spirituality. We're proud to offer one of North America's few certified Indigenous language immersion certificates.**

The Social Service Worker – Indigenous Specialization program will empower you to make a difference in your community. Gain the knowledge and tools needed to support individuals, families, and communities through a holistic Indigenous lens. Combining theoretical learning, hands-on experience, and fieldwork placements, you'll be prepared to address social, cultural, and political issues, fostering balance in all aspects of life.

Once you graduate, you will be eligible to register with the College of Social Work and Social Service Workers. You can even choose to continue your education with our many pathways to degree opportunities with partnering universities.

We celebrate the richness of language, culture, and heritage, and we look forward to welcoming you on this cultural learning journey.

### PATHWAY TO A DEGREE

Continue your education with our pathways to a degree with five partnering universities. Complete your diploma program here in two years and then choose the path to a degree like Bachelor of Social Work in as little as two more years. Visit [saultcollege.ca/pathways](https://saultcollege.ca/pathways)

“I love how technology evolves, offering constant learning opportunities, which keeps work interesting. I appreciate my job’s flexibility and the chance to apply my knowledge across fields, ensuring variety in my work.”

# INFORMATION TECHNOLOGY STUDIES

Computer Programming

Cybersecurity

Health Informatics

Network Architecture and Security Analytics

See page 66 for more details or visit [saultcollege.ca/IT](http://saultcollege.ca/IT)

**Employment options in IT are endless! From healthcare to finance and automotive to manufacturing, industries worldwide are using tech to boost efficiency and security. They’re relying less on people and more on computers – it’s super futuristic. So, what about your future? Let’s team up to crush your goals in the IT sector.**

Love making networks work? From IoT and AI to VR, your connection to today’s digital world starts here. In the ever-changing world of tech, we ensure you stay current, so you can design, develop, and implement the latest computer applications.

Computer Programming offers a comprehensive curriculum designed to turn you into a highly skilled, in-demand professional ready to excel in the digital world. You’ll learn in hardware and software environments that mirror industry standards, working on innovative projects and developing your skills in Python, Java, and JavaScript. In your final semester, you’ll get real-world skills supporting a business with a capstone project.

Continue your studies by choosing a post-diploma program in Cybersecurity, Health Informatics, or Networking Architecture and Security Analytics (NASA). You can instead choose a pathway to a degree to earn

a Bachelor of Computer Science degree in just one or two more years.

Like technology, your potential is limitless. Whether you’re coding, testing, or diving into database design, these programs set you up for a booming career in IT.

## PATHWAYS TO A DEGREE

Choose the path to a degree in Bachelor of Computer Science with our partner Algoma University, once you earn your Computer Programming diploma right here. Get both your diploma and degree in as little as three years. Visit [saultcollege.ca/pathways](http://saultcollege.ca/pathways)

## Meet Sueli Cereza

SECOND-YEAR GRAPHIC DESIGN –  
DIGITAL MEDIA

Sueli is in her second year of Graphic Design and is working on enhancing her skills in digital media to stay competitive in the job market. She benefits from exceptional facilities, hands-on learning, and a supportive environment for international students. The picturesque Sault Ste. Marie community is welcoming, with abundant outdoor activities. Studying here has significantly enriched her career prospects.

[SAULTCOLLEGE.CA/VR](http://SAULTCOLLEGE.CA/VR)

# MEDIA AND DESIGN

Digital Film Production  
Graphic Design – Digital Media

See page 66 for more details  
or visit [saultcollege.ca/mediadesign](http://saultcollege.ca/mediadesign)

**Love using your creative side? Does creativity flow through your veins? Then we've got something perfect for you! You're a rule-breaker and a creator. Let us help you shape a career around your artistic passion.**

Ever imagined yourself saying, "Quiet on the set!?" You've got a visionary mind that can't be contained, and that's what inspires us. Let's team up to bring your creative vision to life with Digital Film Production. Dive into a program that covers everything from idea development and scripting to production and distribution. Gain hands-on experience with opportunities to work as a crew member on local film sets.

Prefer design? Sketch out your future in the Graphic Design – Digital Media program and work alongside pros to master the design process. With project-based learning, you'll build a killer portfolio employers will love. And here's the best part – you'll earn an advanced diploma in just two years, thanks to our accelerated program. We hate to see you go so soon, but we're proud of what you'll achieve.

### REAL-WORLD EXPERIENCE

Work with a non-profit agency as a design consultant in the Graphic Design – Digital Media program. Create logos, brand strategies, and design creative assets to support the business.

### COMPREHENSIVE CURRICULUM

Explore the entire filmmaking process to find your passion in the field. Gain skills for a variety of career areas like the camera department, visual effects, locations, assistant directors, and so much more.

HECTARES OF OUTDOOR CLASSROOM SPACE TO LEARN IN AND AROUND SAULT STE. MARIE

# SCHOOL OF NATURAL ENVIRONMENT

Adventure Recreation and Parks Technician (Co-op)

Climate Change Mitigation

Environmental Sustainability Analysis

Fish and Wildlife Conservation Technician (Co-op)

Forestry Technician – Conservation (Co-op)

Natural Environment Technician – Conservation and Management (Co-op)

Natural Resources and Environmental Enforcement

**Love the great outdoors? Sault Ste. Marie has it all – the biggest freshwater lakes, the Canadian Shield, and amazing forests. Talk about the ultimate classroom!**

We're both about protecting nature, and we love sharing that passion! The School of Natural Environment is top-notch, where you'll focus on conservation, environmental protection, and explore natural resources through hands-on, field-based study.

Imagine a 45-hectare outdoor lab and a Waterfront Adventure Centre. This is where you'll test your skills. Plus get even more hands-on experience with multi-day field camps, collaborating in outdoor workspaces, and a co-op work placement. With four diploma programs and three post-diploma programs, your program of choice will get you the experience you need for an impactful career.

Continue your studies with us! Complete your diploma here and then choose a pathway to a related program and earn two diplomas in only three years. You can also choose to continue with one of the post-diploma programs or one of 20+ pathways to a degree.

Prepare for a career protecting and studying the nature around us, with programs in adventure recreation, fish and wildlife, conservation, forestry, sustainability, and climate change.

Sault Ste. Marie is the perfect place to start your journey protecting and managing incredible ecosystems.

### PATHWAYS TO A DEGREE

With over 20 pathways to a degree opportunities with partnering universities in Ontario and beyond, you can complete a diploma here in just two years and then continue your studies to earn a degree in as little as two more years. Visit [saultcollege.ca/pathways](https://saultcollege.ca/pathways)

“I particularly valued the insights and real-life experiences shared by my professors, which further fueled my passion for law enforcement.”

COLE GRIGG  
Police Foundations Graduate

# POLICING, LAW AND PUBLIC SAFETY

Natural Resources and Environmental Enforcement  
Police Foundations  
Protection, Security and Investigation

See page 67 for more details or visit [saultcollege.ca/policing](http://saultcollege.ca/policing)

**You're all about serving your community, and we can't thank you enough for that. What we can do is offer top-notch hands-on training for your career in policing, law enforcement, and public protection.**

You're driven to make a difference, and that inspires us to give you the best programs possible. Our Police Foundations program will set you up for success in your career.

Train with cutting-edge technology used by military and law enforcement worldwide. The MILO Range tactical training system offers you immersive simulations in the lab. You'll tackle over 800 realistic scenarios, using voice recognition and advanced use-of-force tools. Simulation training boosts learning retention up to 90%, and we make sure to maximize every bit of it.

Looking into private or public safety careers? Our Protection, Security and Investigation program covers everything you need for roles in policing, customs, corrections, and public security.

Our grads are out there making a real impact. They're working with city police, RCMP, OPP, and Canada Border Services, even reaching top positions like Deputy Chief of Police, Detachment Commander for

OPP, and more. We're so proud of our grads and can't wait to see where your path leads you.

Let's team up to keep making a difference in our communities.

## PATHWAY TO A DEGREE

Complete your two-year diploma in Police Foundations or Protection, Security and Investigation, and choose the path towards a Bachelor of Science degree in Criminal Justice, completing both in only three years.

You can instead choose the path to your Bachelor of Arts in Law and Justice with our 2+2 pathway to a degree upon completion of your Police Foundations program. Visit [saultcollege.ca/pathways](http://saultcollege.ca/pathways)

**“I took this program because I’ve always been passionate about making those closest to me feel beautiful. I’ve had an interest in the beauty industry but was unsure about pursuing it full-time. After speaking with friends and other estheticians, I decided it was time to apply to Sault College.”**

Pre-Trades and Technology

Welding Techniques

THE PROVINCIAL GOVERNMENT ESTIMATES THERE WILL BE A SHORTAGE OF 350,000 PEOPLE REQUIRED FOR SKILLED TRADES BY 2025.\*  
\*Source: Skilled Trades Ontario

**If you love shaping the world around you, our programs will set you up for a solid future in skilled trades. Communities thrive because of passionate tradespeople like you, and we're thrilled to help build your career.**

Get hands-on experience with industry-standard equipment and tools to gain practical skills for the workplace through our Mechanical Techniques programs for Millwright or Machine Shop. Perform precision measuring, drafting, and system installation, preparing you for real-world challenges. Whether you're learning to operate lathes and milling machines or mastering industrial mechanics and welding, you will be equipped with the expertise needed for high-demand careers in skilled trades.

Both the Welding Techniques and Metal Fabrication Technician programs will provide you with a foundation in essential welding skills and techniques. In the labs, you'll gain practical and hands-on experience with tools used in today's industry. The welding program will have you focusing on developing core welding competencies, while the metal fabrication program will expand into you preparing, fitting, and joining metal for large-scale projects like bridges and steel structures. You can even complete Welding Techniques and then continue with Metal Fabrication to earn both a certificate and a diploma in only two years.

Got a thing for engines? Whether you're into heavy equipment or have a love for cars, the Motive Power programs will give you the tools and training to take your passion to the next level. Dive into hands-on experience building, diagnosing, and repairing cars, trucks, and heavy equipment. Your wide skill range will impress employers.

Not sure where to start? The one-year Pre-Trades and Technology program lets you test the waters in multiple trades. Get hands-on with welding, electrical, automotive, construction, millwright, machine shop, and plumbing to find what interests you.

With a growing demand for skilled trade workers, you're on the right path to kick-starting a career that's both fulfilling and in high demand.

## TAKE A TOUR

Take a virtual tour of the Skilled Trades and Transportation labs, including the Machine Shop, Electrical labs, Mechanical labs and the Motive Power Centre. Visit [saultcollege.ca/VR](http://saultcollege.ca/VR)

# YOUR FINANCIAL ASSISTANCE

## WE'RE HERE TO HELP

Paying for college is a big deal, but the Student Financial Assistance team at Sault College has got your back. We handle everything from OSAP and scholarships to special bursaries and awards.

### What We Offer

- Help with OSAP (Ontario Student Assistance Program) applications
- Scholarships, bursaries, and awards info and applications
- Support for Bursaries for Students with Disabilities (BSWD) and Canada Student Grant for Services and Equipment (CSG-DSE)
- Special bursaries for students struggling with educational costs
- Part-time Canada Student Loans for low-income students

### EDUCATION COSTS FOR 2024-2025

	HOME	ON CAMPUS	OFF CAMPUS
TUITION & ANCILLARY FEES	\$4,287*	\$4,287*	\$4,287*
BOOKS & SUPPLIES	\$1,750	\$1,750	\$1,750

FOOD/MEAL PLAN	\$0	\$3,058***	\$4,300 - \$5,950
INTERNET, CABLE & LAUNDRY	\$0	Included	\$2,700 - \$4,350
LOCAL TRANSIT	\$0 - \$420****	\$0 - \$420****	\$0 - \$420****
MISC (ENTERTAINMENT, SHOPPING, ETC.)	\$3,260	\$3,260	\$3,260
<b>TOTAL</b>	<b>\$9,717</b>	<b>\$20,075</b>	<b>\$28,217</b>

Above represents 2024-25 academic year. Fees subject to change. Represents approximate costs only.  
 \*Domestic student fees only. Some programs cost more. Refer to the website for specific tuition fees.  
 \*\*Some off-campus housing options require a 12 month lease, which will increase the above mentioned costs. \*\*\*Meal Plans are optional. This represents the Annual Plan cost. Other options are available. \*\*\*\*Local transportation for two semesters is optional.

**You could be eligible to receive \$500 when you start school!**

**\$2 million+** in scholarships and bursaries recognizing academic achievements and financial need

# EDUCATION OPTIONS

We have many opportunities for you to prepare, further, and enhance your education.

## ACADEMIC UPGRADING

Missing a course prerequisite for admission to your college program of choice? Need an Ontario Secondary School Diploma (OSSD) equivalent for employment or apprenticeship? If so, our Academic Upgrading program can help you prepare for college-level and apprenticeship programs at any time during the year. With year-round intake, flexible course delivery, and self-paced learning options, upgrading meets the needs of a diverse student population. Qualified Academic Upgrading students have the opportunity to take a college course free of charge. Assistance with transportation is also available. Visit [saultcollege.ca/upgrading](http://saultcollege.ca/upgrading)

## APPRENTICESHIPS

Sault College is an approved Training Delivery Agent for the Ministry of Labour, Immigration, Training and Skills Development (MLITSD). We offer in-school apprenticeship training in the following trades: Automotive Service Technician, Truck and Coach Technician, Heavy Duty Equipment Technician, Parts Technician, Construction and Maintenance Electrician, Industrial Electrician, Plumber, Steamfitter, Machinist, Ironworker, Hairstylist, and Cook. You must be a registered apprentice to register in our apprenticeship classes. To learn more about how to become a registered apprentice, visit [skilledtradesontario.ca](http://skilledtradesontario.ca)

## CONTINUING EDUCATION

Lifelong learning is what Continuing Education is all about. With online programming for certificates and diplomas, corporate training, pre-apprenticeship, and general interest programming, we have something for everyone. With courses running throughout the year, registration is always available. Visit [saultcollege.ca/coned](http://saultcollege.ca/coned) to get started. To further advance your current career, explore our micro-credentials at [training.saultcollege.ca](http://training.saultcollege.ca)

## DUAL CREDIT OPPORTUNITIES

In partnership with the Algoma District School Board and the Huron-Superior Catholic District School Board, we offer dual credit opportunities for grade 11 and 12 students in Algoma. Students can register and participate in college courses while still in high school. They'll earn college credits while earning high school credits toward their Ontario Secondary School Diploma. Students will get a sneak peek into what's ahead in their postsecondary journey and become familiar with the college environment, programs, and services. For more information, visit your high school Guidance/Student Services office and visit [saultcollege.ca/highschool](http://saultcollege.ca/highschool). Dual credit programs are funded by the Government of Ontario through the School College Work Initiative. Visit [gotocollege.ca](http://gotocollege.ca)

# FIND YOUR PATHWAY

Further your postsecondary education right here!

Explore our pathways in, within and beyond to help you reach your goals and gain the skills needed for a successful career.

Visit [saultcollege.ca/pathways](http://saultcollege.ca/pathways)

## Pathways Beyond

Once you complete your program, you can further your education at many of our partnered institutions to earn a degree, some in as little as one year! We have established over 70 pathways to various degrees and institutions but if your desired institution or program isn't on our list, they may still grant you credit or admission. New pathways are always being created, so if you don't find what you're looking for, contact the Pathways Office for assistance.

Find pathways available for any of our diploma programs, and ones specific to your program in Aviation, Business, Community Services, Continuing Education, Culinary, General Arts & Science, Health, Indigenous Studies, IT, School of Natural Environment, Policing, Law and Public Safety.

## Pathways Within

Many of our programs allow you to continue your studies and earn a second credential in just one year. You can begin in a one-year certificate program and transfer into its affiliated diploma program with little to no credit loss, or you complete a diploma and can stay for an extra year and earn a second diploma. This additional year will not only give you another credential, but it will also strengthen your skill set, broaden your knowledge, and give your resume the competitive edge.

Our pathways within are available for programs in Business, Community Services, Culinary, Engineering Technology, General Arts & Science, IT, School of Natural Environment, Policing, Law and Public Safety, and Skilled Trades and Transportation.

## Pathways Into

If you have already completed one or more courses at another postsecondary institution or have been in the workforce, explore your transfer options.

## CREDIT TRANSFER

You can transfer credits to a program here if you have completed courses at another recognized college or university.

## ADVANCED STANDING

Some programs and courses will allow for enough credit transfer for you to transfer into a program beyond the first semester. We have pre-approved programs eligible in Business, Community Services, IT, and Health.

## PLAR

Prior Learning Assessment and Recognition, (PLAR), assesses learning gained from life events like employment, volunteer work, informal or formal training, and military service. PLAR may assist you in obtaining College credit for courses in which you can demonstrate that you have met the course learning outcomes through your life and/or work experience. Contact the Pathways Office for more information on the PLAR process.

## ONTRANSFER.CA

Explore pathways beyond our official agreements at [ONTransfer.ca](http://ONTransfer.ca). This is a tool by the Ontario Council on Articulation and Transfer (ONCAT) where students can explore a variety of pathways to and from universities and colleges in Ontario. You can find pathways from diplomas to degrees, transfer credits, and more.

Our Pathways Office is ready to answer your questions, help you explore pathway opportunities, or start the process of your pathway.

# HOW TO APPLY

Want to chat with one of our recruiters?  
Meet and connect with them at  
[saultcollege.ca/recruiters](http://saultcollege.ca/recruiters)

## 1 APPLY BY FEB. 1ST

Go to [ontariocolleges.ca](http://ontariocolleges.ca) to apply by February 1st for equal consideration. Follow the prompts to complete the process. Call us at 705.759.2554 ext 2222 for help as you are applying. We are standing by to help in any way we can. There is a non-refundable \$150\* fee to apply.

## 2 WATCH FOR OUR LETTER

Once your application is processed, you'll receive an official letter in the mail to let you know if you are accepted into your program of choice or if there is anything missing.

## 3 CONFIRM ONLINE

The most important step is going back online to [ontariocolleges.ca](http://ontariocolleges.ca) to confirm your offer once we've accepted you into your program. Offers of admission are sent out after November 1st. We need to know you're coming so we can get things ready for you.

## 4 SECURE YOUR SPOT

Lastly, you'll need to pay your fees to secure your spot. We'll let you know what else you need along the way. Congratulations! You've just made a great choice in choosing Sault. We'll see you soon!

\*Application fee subject to change.
